The Hunter Pace

A hunter pace is an event designed to simulate the conditions and obstacles encountered while out on a fox hunt. Riders will go out in teams of two or three riders and follow a trail marked with ribbons. Jumps are OPTIONAL. This is NOT a race. The goal is to be as close to the "ideal" time without going over. Cost: \$35/rider (this covers your \$10 day fee for YHHP)

The Poker Run

No prior poker knowledge is necessary. A poker run is an organized event where participants must visit five to eight check points drawing a playing card at each checkpoint. The object is to select the best poker hand at the end of the run. The event is not timed and winning is based primarily on luck. Riders will go out in teams of two to four riders and follow a trail marked with ribbons. Check points will be located along the way. Cost: \$25/rider (this covers your \$10 day fee for YHHP) additional poker hands may be purchased for \$5/hand. Although this is not a timed event, this event will run from 10:00 AM until 4:00 PM.

***Entry Fee only \$50 if entering BOTH events!!**
