

Three Rivers Hunt Pony Club proudly announces the
4th Annual

Pumpkin Pace

A fundraiser event to benefit United States Pony Club

Saturday, October 16, 2010

(3rd Saturday in October **every** year)

York Hills Horse Park, Albion, IN

A great way to spend a **fun-filled** fall day on your horse in the countryside and support the local pony club! English or western. Jumping or non-jumping. Pairs or “teams” of three riders follow a trail marked with “ribbons” through the park. All fences/obstacles along the trail are passable nearby for non-jumping riders. Teams may combine jumping and non-jumping riders. Fences will not exceed 2’9” (most will be less).

This is NOT a race! The goal is to not go too slow **OR** too fast. The “ideal” time is the goal and is kept secret until the last rider has crossed the finish line. The pair/team closest to the ideal time wins! The trail **may** run alongside or across some roads, near railroad tracks, through open fields, woods, over bridges and ditches, and through small creeks and/or water. Please consider this when entering. Participants are welcome to stay and ride the remainder of the trails after completing the course. This is a fundraising event for United States Pony Club organizations. Entries are by pre-registration and are limited; therefore, we will be unable to issue any refunds unless the event is cancelled (rain date not included). If you are unable to attend for any reason, we thank you for your donation.

*** *COSTUME CONTEST* ***

Every pair/team is encouraged to dress alike in a costume or “theme” and win a prize!

EVERY PARTICIPANT WILL BE ELIGIBLE FOR DOOR PRIZES
